### A Disciple is a Learner

Your Pace of Growth is determined by the answers to these two questions:

- 1) What is God Saying to Me?
- 2) What am I doing about it?

### The Learning Circle

*Chronos*: Successive or sequential time

*Kairos*: A God-ordained opportunity or decisive moment in time

James 5:16 (ESV)

Change doesn't happen in private

Proverbs 27:17 (NIV)

Matthew 7:24-27 (NIV)

### Discussion Questions

- 1) What impacted you the most from this week's message? Encouraged you? Challenged you?
- 2) What have been some obvious *kairos* moments in your life? Did you learn what God was saying through them? If not, what part of the Learning Circle did you neglect?
- 3) Do you have enough margin in your life so that you can both observe, reflect upon, and discuss what God might be saying through a *kairos* moment? If not, what needs to change?
- 4) Do you have accountability in place to help you stick to your commitments and believe what God is calling you to do in order to change? Who is someone you could ask for accountability?
- 5) What will you do this year to help *your ear to hear* God grow? What will you do to help your *heart to obey* grow?
