

Sermon Notes

Big Idea: Jesus declared that He would build His Church, and, as a result of our relentless trust in His plan, we would advance His Kingdom! God's people have been commissioned to take the God News of Jesus to all people, both across the street and across the globe.

Outreach is the Heartbeat of Church

Outreach isn't just something we do, it's who we are.

Acts 1:8 (ESV) But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.

Witness: One who testifies; one who has personal knowledge of something; public affirmation by word or example.
