

Sermon Notes

Big Idea: Are you ready for 2025? What changes are you hoping to see in your life? So much of what we do at Manna Church is designed to *equip you to change your world*. Healthy change takes place from the inside out, and all real change starts with Jesus. As we start this new year, let's make sure we're equipped in the things that matter most.

You reproduce who you are.

Genesis 1:28 (ESV) Genesis 12:2 (ESV) Matthew 28:16-20 (ESV)

A quick summary of Jesus' commands:

- Love Him.
- Love Each Other.
- Love the World.

2 Timothy 2:1-2 (ESV) 1 Corinthians 11:1 (NIV)

Where in your life can you confidently invite others to follow your example?

At Manna Church:

- We all follow Jesus.
- We all follow another follower.
- We all reproduce ourselves.

Spring Small Group Cycle: January 26th – May (16 Weeks)

Discussion Questions

- 1) What impacted you the most from this week's message? Encouraged you? Challenged you?
- 2) Who has taken time to *reproduce* themselves with you? What was the context? What was that experience like? Has it impacted the way you relate with others?
- 3) How would you answer the question posed in the sermon: Where in life can you confidently ask others to follow your example? (it doesn't have to be a spiritual answer)
- 4) Who is another follower of Jesus that you are currently following (or willing to)? Who is a younger follower of Jesus that you could ask to follow you? What's your next step?
- 5) How has this *Equipped* series help you as a follower of Jesus? Be specific.
