

## Sermon Notes

**Big Idea:** Jesus very clearly told His disciples two urgent truths: 1) There are plenty of people who are waiting to be reached with the gospel, and, 2) There aren't enough Christians who are ready to be a part of the reaching. This year's ROC will not only celebrate the Harvest that's been reached through our generosity and efforts in previous years, but will help equip you to reach an even greater harvest in the years ahead.

**The Harvest: The people God plans to reach through you.**

**The future is in the Harvest.**

**Luke 10:1-9; 17-20 (ESV)**

**Show People The Kingdom, Tell Them About The King.**

**Reaching Your Harvest – Show and Tell:**

- 1) Speak peace and blessings over their lives.**
- 2) Spend time with them (and listen).**
- 3) Seek to meet their needs – ideally through praying with them.**
- 4) Share your reason why – Jesus!**

## Discussion Questions

- 1) What impacted you the most from this week's message? Encouraged you? Challenged you?**
- 2) Share how the gospel was originally presented to you. Were you convinced the person who shared with you also cared about you? How could you tell?**
- 3) How often do you pray for people who don't believe in God or have walked away from Him? Have you ever tried to speak peace and blessings over them? Will you now? Explain.**
- 4) Have you ever had an opportunity to pray for someone based on what they shared, but didn't have the courage to do so? Have you ever done it and it didn't go well? Or it did go well? Explain.**
- 5) When's the last time you were able to explain to someone who Jesus is to you? How did that experience go?**
