Who does the work of ministry?

Your life is much bigger than a good job, an understanding spouse, and non-delinquent kids. It is bigger than beautiful gardens, nice vacations, and fashionable clothes. In reality, you are part of something immense, something that began before you were born and will continue after you die. God is rescuing fallen humanity, transporting them into his kingdom, and progressively changing them into his likeness – and He wants you to be a part of it.
