

YEAR TWO

THE GOSPEL OF LUKE

Luke 9:1-9

DISCUSSION QUESTIONS

Week 44

1. The sermon emphasized, "When Jesus sends His people, He first equips them." What would change in your daily life if you genuinely believed that the Holy Spirit has equipped you to be a witness for Jesus?
2. The disciples weren't effective because they were naturally extraordinary; they were effective because Jesus empowered them. How does that change the way you think about your own abilities and limitations?
3. Corey pointed out that the disciples were sent into their local communities, not somewhere far away. Who is one person God has already placed in your life that you could intentionally pray for and look for an opportunity to share Jesus with?
4. When will you have the Jesus conversation and how can we help you?

Heart- Level Reflection Questions

1. Jesus prepared the disciples for the possibility that people would reject them. How does fear of rejection affect your willingness to talk about your faith?
2. Jesus' ministry depended on people who were willing to open their homes and provide for them. What does this teach us about the role of our financial generosity in God's work?
3. What resources has God entrusted to you—money, time, home, skills, relationships, influence—and how might you use them for His purposes?.
4. What are some ways someone can be interested in Jesus or Christianity, attend church, enjoy learning about Jesus without actually following Him?
