KINNEY FAMILY FUNDRAISER

Join us on **Friday, May 19th, 4 pm**, at Pine Valley Church for a fundraiser event supporting 7-year-old Cayson, who was diagnosed with a brain tumor in February 2022. Due to the tumor's location, surgery is not an option, and Cayson requires ongoing treatment and monitoring until his early 20s. The event aims to help his family pay for the medical bills associated with his treatment. Let's come together as a community and show our support for Cayson and his family during this challenging time. Limited seating, so please get your tickets TODAY at [PINEVALLEYCHURCH.ORG](https://www.pinevalleychurch.org).

Volunteers still needed. Please join us for a volunteer meeting on Tuesday, May 16th at 6:30pm here at PVC to go over your role that evening.

Please register for this event on the app or at [pinevalleychurch.org](https://www.pinevalleychurch.org).

PVC SUMMER BBQ'S

Building Relationships with Church BBQs!

Summer is a great time to get together for some BBQ grilling and fun! PINE VALLEY CHURCH will be hosting 3 BBQ's this summer right here at the church. The first one is Wednesday **June 21**. Bring your friends, family and neighbors! **5:30pm**.

LADIES BREAKFAST CLUB

Join us for our Breakfast Club on **Saturday, June 10th from 8:30-10:00 am**. We'll be enjoying delicious food, having fun, and learning special gardening tips from our very own Darla Hill. Please bring a dish to share - an egg dish, fruit, pastry - and sign up in the foyer so that we know how to adequately prepare. In addition, we will be having a summer recipe exchange. Please bring your favorite recipe either written or typed out, and we will have these on a table where you can take pictures with your phone. One of the young ladies of our group can even show you how to start an album of recipes in your phone so that everything is all organized! Don't miss out on this fun morning to kick off our beautiful summer season, and as always, feel free to bring a friend!

WE HAVE AN APP!

We have a new way for you to stay connected with us and for us to stay connected with you. We just launched our church app and we're excited for all the new ways this will help us as a church family. You will be able to see all of our upcoming events, watch sermons, connect with a small group, give, and lots more! There's even a Bible app built into the app which is pretty awesome! This will also be a great way for us to communicate important church information so be sure to download it sometime after service.

To download the app you can scan this QR code with your phone.
