Find the LIFE GROUP QUESTIONS On the CCC APP

Getting to Know You:

1. What is the most surprising or painful thing God has done in your life to get your attention? Describe the process, your mindset, the turning point, and the final result.
2. If someone asked you to recommend Life Groups, what would you say? What is one highlight you have experienced in your Life Group that you could include with the invitation?

Digging Deeper

1. Read Hosea 2:8, 4:6, 7:14-16, 10:13 and discuss the root causes of Israel's deception. Read 2 Corinthians 4:4 and Hebrews 3:12-13 and then discuss the role of the devil and how our personal passions can bring in deception. How can we protect ourselves from these pitfalls?
2. Hosea 14:9 concludes the book with a call to the wise to have understanding. What is wisdom, and how can we tell we have it? Read Proverbs 1:7, 23 2:1-5 and discuss.
3. God is often unconventional in what He asks His holy prophets to do. Consider Ezekiel's call in Ezekiel 4:1-6 and Genesis 22, where God asks Abraham to offer Isaac as a sacrifice. How has God, as revealed in the life of Hosea, challenged your view of God?

Taking it Home:

1. What is the connection between the fear of the Lord and wisdom? Do you feel you have a healthy fear of God? How can you practically grow in wisdom?
2. As we studied the book of Hosea, we have seen the lengths to which God will go to reach His people. Take some time to thank God for His unrelenting pursuit of your heart.
