## Study Guide

### Small View of God – Small Faith and Small Prayers

A limited understanding of God limits your faith and prayers. True faith believes God can do the impossible.

**Something to think about:** What are you currently hesitant to ask God for because you think it's beyond His ability or care?

### General Revelation – Creation and Conscience

God reveals Himself through creation and the conscience within every person. No one is without excuse.

**Something to think about:** How have you seen evidence of God's presence in the natural world or your conscience?

### Special Revelation – Scripture and Jesus

God reveals Himself explicitly through His Word and ultimately through Jesus, who is the exact imprint of His nature.

**Something to think about:** How does seeing Jesus as the full revelation of God impact the way you approach Scripture?

### God's Pursuit – A Relationship with You

God is not far from anyone. He actively pursues relationships and makes himself known through the Spirit.

**Something to think about:** In what ways has God pursued you personally, even when you weren't seeking Him?

### Responding with Worship – Big Worship for a Big God

Knowing God more fully leads to authentic, wholehearted worship that engages your whole being.

**Something to think about:** What is one step you can take this week to worship God more wholeheartedly?
