Study Guide

God's Power is Incomparable (Omnipotence) – God is Almighty, self-sufficient, and without equal; His creation and rule show His unmatched strength.

Something to think about: How does knowing God is truly Almighty change how you respond to impossible situations?

God's Power is Inexhaustible – God never tires or grows weary; His strength is limitless and ever available to His people.

Something to think about: What areas of your life are you trying to handle in your own strength rather than relying on God's power?

Invitation into God's Power – The same Spirit that raised Jesus lives in believers, empowering them for life and mission.

Something to think about: How can you more intentionally tap into the power of the Holy Spirit in your daily life?

God Knows in Totality (Omniscience) – God knows all things instantly, perfectly, and intimately; nothing is hidden from Him.

Something to think about: How does God's complete knowledge of you bring both comfort and conviction?

God is Always Present (Omnipresence) – God is fully present everywhere at all times; He is both high above and near to the brokenhearted.

Something to think about: In moments when you feel alone, how can you remind yourself of God's nearness?
