STUDY GUIDE & PRAYER POINTS

God Is Pro-Life (Genesis 1:27–28; Exodus 21:22–25) – Every human being is made in the image of God, including the unborn. Scripture upholds the value of life in the womb with strong language about justice and worth.

Something to think about: How does recognizing the unborn as image-bearers shape your view on life and justice?

Satan Is Pro-Death (John 10:10; Genesis 3:13; Revelation 12:9) – Satan’s mission is to kill, steal, and destroy life. His main weapon? Deception. He disguises abortion with language like “healthcare” and “choice.”

Something to think about: How have you seen the enemy’s deception at work in our culture—and what’s your role in responding to it?

The Power of Testimony – Personal stories reveal the emotional and spiritual weight behind abortion decisions and the redemptive work of God.

Something to think about: How can sharing personal stories bring healing and clarity in the cultural confusion around life?

Christians Are Pro-Active (Matthew 5:14–16) – Believers are called to be light in a dark world, not to retreat from it. There are practical ways to get involved—through prayer, financial support, and training.

Something to think about: Where can you let your light shine brighter in the fight for life?

Value Life as God Does – Ask God to help you see every human life, born and unborn, through His eyes and to live accordingly.

Resist the Lies of the Enemy – Pray that you would not be swayed by cultural deception but grounded in biblical truth about life.

Be a Voice for the Voiceless – Ask God to give you courage to speak up and advocate for the unborn in loving, truthful ways.

Support the Ministry of Life – Pray for guidance on how you can get involved—through prayer, giving, volunteering, or sidewalk counseling.

Shine the Light Boldly – Pray that your life would reflect Christ’s light and love in every dark corner, especially where life is under attack.
