

How to Grow in Grace

Galatians 5:16-25

In Galatians, Paul shares a message of grace that God has set us free. But God did not set us free to do whatever we please. He set us free from sin and the laws that shackled us so that we could be what God meant for us to be. God intends for us to grow in grace.

- Spiritual growth is possible only through the _____.
- Spiritual growth can be identified by its _____.
- Thoughts about growing fruit:
