

Today we explore one of the most dramatic encounters in Jesus' ministry, one where the disciples find themselves battling a fierce windstorm on the Sea of Galilee. Through this powerful account of four miraculous events in one night, we'll discover three important ways that God works through life's difficulties. As we study this passage together, prepare your heart to see how Jesus meets us in our storms and proves once again that He is enough for whatever we face.

I. God sometimes puts us in _____ we don't want to go.

II. God sometimes gives us _____ we don't always understand.

III. God sometimes puts us through _____ to help us see things about him we can't see otherwise.

B. The disciples learned that Jesus didn't just _____ what they were going through—he _____.
