## Jesus: Ruler of My Personality – Part 2

### Luke 16:19-31

Satan is the master of seduction and deception. He loves to prey on people and entice them into sin. He gets us so wrapped up in our fleshly desires that we throw our logic and values to the wind. But when Jesus transforms our personality, we become less conscious of feeding our selfish desires and we place the focus on God's will and serving others. He wants to transform us from selfishness to unselfishness.
