

## Seeing Clearly *Revelation 12 - 18*

Revelation 12 tells the story of God's victory over Satan, over deceptive earthly gods, and over every person and institution that tries to steal worship from him. These enemies of Christ try to destroy the Church. The destruction, deception, and distraction are all staged by a gruesome dragon who is doing anything and everything in his power to ruin the reign of God. When the Church comes to Jesus, we see evil for what it is, and we find strength to flee.
