

When God Says No

2 Samuel 7:1-17

Have you ever had a time in your life where you felt strongly that God was calling you to do something in particular for his kingdom, so you prayed about it and began to plan for it, but for some reason things just never came together right? And you were disappointed and just couldn't understand why God didn't make it happen. King David had something similar happen to him.

- What David got right
 - David's _____ was good.

- What God wants to know when he says no
 - How much do you love _____?
 - How much do you love _____ _____?
 - Are you able to see God's _____?
 - Where do you find your _____?
