

THE HERO OF THE CHURCH *REVELATION 4 & 5*

As we have studied Revelation 2-3 together, we have seen that the letters to the seven churches are Jesus' diagnosis of the problems facing each of the churches. So if Revelation 2-3 is the diagnosis, then Revelation 4-5 gives the treatment. And we are going to find that every diagnosis has one primary treatment.

- *Diagnosis* = "The act or process of identifying or determining the _____ and _____ of a problem."
- For most every spiritual diagnosis Jesus prescribes one primary treatment — _____.
- *Worship* = "The built-in, human reflex to put your hope in _____ or _____ and then chase after it."

Chapter 4

- A key word in chapter 4 is the word "_____."
- *Biblical Worship* = "_____ what God is worth and _____ him what he's worth."
