

King of My Life

2 Samuel 4:1 – 5:12

It is important that each of us recognize who it is that has ultimate authority. In today's message we are going to see that it is one thing to rule as king, but it is more important to recognize who the true king really is.

- ...because of who the King _____.
- ...because of what the King _____ for us.
- ...because of what the King _____ for us.
