

Lord of Our Attitude

Jesus: Lord of All – Part 2

Luke 9:46-62

We have all been drilled about the importance of a good attitude. A good attitude makes us more effective. A bad attitude reduces our effectiveness and dampens the enthusiasm of others. When Jesus Christ becomes the Lord of your life, he begins to do a work on your attitude. Once we come to Christ, there is to be a different spirit developing in us. He is to be the Lord of our thinking as well as Lord of our behavior. As we study this section, let's allow Jesus to be Lord over our attitudes as we relate to four different groups of people.
