

The Christian life is a journey. Becoming more and more like Jesus Christ is not something you do while sitting still. In Ephesians 4, Paul says we are to “grow” until we become like Christ. But growth involves change. The sad truth is there are some Christians who don’t grow, who quit changing, who reach a certain level of maturity and they just stay there. Let’s consider how we can continue to grow as believers on our journey with Jesus.
