

Our Attitude Toward God

2 Samuel 6:1-23

Do you have an attitude problem? Who doesn't at certain times or on certain days?! Something perturbs you and it begins to show in your attitude. Our attitude affects our fellowship with our Heavenly Father, our Lord Jesus Christ and the Holy Spirit. It also shapes our dealings with other people. In today's scripture passage we see four different attitudes toward God displayed.

1. Not taking God _____

- Guard against a casual approach to God that forgets his _____ and his _____.
- To take God seriously means that we also take his _____ seriously.

2. Taking _____ at God

- When we _____ ourselves from God, we are the ones who _____.
- God is powerful to judge those who _____ him and powerful to bless those who _____ him.

3. _____ in God

- Worship should be filled with _____.

4. Being _____ to God no matter what _____ may say

- Some people think their only job in worship is to _____ other people who are doing things _____ themselves don't like.
- We should have an attitude that says we are going to _____ the Lord with all our _____ regardless of what others think.
