

# Suffering Faithfully

## *Revelation 6 & 7*

The painful cry of martyred saints in Revelation 6:10 is, “How long, Sovereign Lord?” The people of God at the time of Revelation and for the two millennia since have been suffering injustice, violence, and manipulation at the hands of the world. The promise of God to His Church is that when it comes to Jesus, it finds hope for a future that allows us to suffer patiently knowing that it won’t last forever.
