Navigational Points

➤ Growing Relational Roots

A Sunday morning worship gathering is not conducive to growing strong relationships with others in our spiritual family. Have you considered joining one of our smaller group gatherings to grow in your relationship with God and others? Check our Small Group Board in the foyer, ask one of our hospitality team members, or email Chris at chris.parker@bvcbigbear.org for dates and times.

➤ Beautification

Do you hear it? Our closets, rooms, storage spaces and grounds are crying out for some TLC. Over the next several months we're going to clean, organize, paint and help restore this beautiful property to health. If you're willing to invest a few hours and some elbow grease, please respond on a connection card and we'll keep you in the loop.

➤ Family Room For Worship

Did you know "The Den", which is connected to our sanctuary, is available to families with infants and toddlers who are not yet ready to join our children's ministry? We have snacks and activities for the little ones while their family member cares for them and participates in our worship gathering via a large screen television. Ask one of our hospitality team members for more info or its location.
