Jesus Christ.

- What changes should I see in my life as I grow into Jesus' likeness?
- How do we make certain Jesus is the cornerstone of BVC?
- In what ways can I reflect God's goodness to our community?

Navigational Points

❖ Installation Sunday

Today we celebrate what God has done in bringing together Bear Valley Church and the Craig family! We'll worship, hear from our elders, pray over this new season of ministry and receive a brief message from our new Pastor Mike Craig. Following our time of worship will be a short welcome reception in The Den. Stop by immediately following our worship gathering to grab a snack and say hello to the Craig family.

❖ Small Groups

We were not made to go through life alone. Participate in one of our smaller groups settings to grow in your relationship with Jesus and strengthen your relationships with others in our church family. Reach out to one of our hospitality team members or contact the church to learn more about specific dates and times.

❖ Stay Connected

Did you know information about Bear Valley Church is readily available to you? You can connect online at our website www.bvcbigbear.org or download our Bear Valley Church app.

❖ Pray

Please pray daily for God's guidance and blessing on this new season of ministry for Bear Valley Church. Exciting days are ahead and we want to make sure that we stay aligned with God's plans for His church!
