

# A Fruitful Heart

## Matthew 13:1-9, 18-23

*The condition of my heart impacts the fruitfulness of my life.*

### Points to Ponder:

- Is my heart hardened to God's truth and ways?
- Is there anything in my life that is choking out God's good seed?
- In my life, do I see the good fruit that only God can cultivate?

# Navigational Points

## > We Need You

As a spiritual body, we only achieve health when each part is actively participating. Many hands make light work and the more people we have actively engaged, the lighter the load for each of us. If you are not currently serving our spiritual family, today is the day to take a new step of faith! Please fill out a connection card and let us know your areas of interests. Training and equipping will be provided!

## > Revitalization

Efforts to enhance the safety, functionality and beauty of our property are well underway. Please continue to pray for God's guidance and provision throughout this process. We welcome your financial partnership and if you believe God wants you to help us complete these projects, please designate your financial gift separately from your normal giving via an offering envelope or online.

## > Bible Translation

In an effort to achieve greater consistency throughout our ministries, we will begin utilizing the ESV translation for the majority of our preaching and teaching. You're welcome to utilize your favorite Bible translation; however, this will help us bring greater alignment to our study and discussions.
