## ➤ Help Us, Help You

It's time for a long overdue reorganization of our church database. We're asking everyone new and old to please share with us your current information via one of our connection cards (pen/paper or electronically via our QR code) so that we can make sure you are accounted for in our database. This is vital for improving our communication and care in the days ahead!

## ➤ Ready To Take The Next Step?

Let us know what spiritual step you're ready to take on your spiritual journey by jotting it down on our new connection card and dropping it in an offering plate or the drop box on your way out. We would love to help you draw closer to Jesus and others in our spiritual family.

## ➤ Don't Go It Alone

Did you know that one of the best ways to deepen your relationships within our spiritual family is through smaller group gatherings? These are the environments to grow further in your understanding of God's Word and experience the care of those journeying life with you. Contact our church office or speak with one of our hospitality team members for specific dates & times.
