## > Relationships

How well do you know others in our spiritual family?

Make an intentional effort to say hello to someone you don't know, ask a bit about their life story and begin strengthening your relational connections!

## > Revitalization

Our property and facilities are in desperate need of revitalization. These projects are significant in scope and include landscape, asphalt, painting, lighting, etc... We're confident that by joining together we can enhance our church's safety, beauty and functionality. Please pray for God's guidance and provision during this process. If you believe God is leading you to give a special gift above your normal giving to help complete these projects, please designate it on your offering envelope or when giving online.

## > Resources

Utilize our printed or electronic connection cards to keep us updated on your contact information and/or to let us know how we can help you take the next step on your spiritual journey. We love helping people grow in their relationship with Jesus and with others!
