

Communion Sunday

Notes:

Navigational Points

> Communion

We're glad you've joined us for worship this morning. Today will be a special gathering focused on remembering Jesus through the ordinance of communion.

> Revitalization

Our property and facilities are in desperate need of revitalization. These projects are significant in scope and include landscape, asphalt, painting, lighting, etc...

We're confident that by joining together we can enhance our church's safety, beauty and functionality. Please pray for God's guidance and provision during this process. If you believe God is leading you to give a special gift above your normal giving to help complete these projects, please designate it on your offering envelope or when giving online.

> Growing Closer Together

In order to be a healthy and interconnected spiritual family, we need to make efforts to get to know each other. Say hello to those around you, ask their name and learn a fun fact about their life. We are truly better together!
