Navigational Points

➤ Help Us Stay Connected

We're asking all households, new and old, to please share your current information utilizing one of our connection cards (pen/paper or electronically via our QR code) so that we can stay connected in the days ahead. This is vital to helping us care for one another.

➤ Restoration

Do you hear it? Our closets, rooms, storage spaces and grounds are crying out for some TLC. Over the next several months we're going to clean, organize, paint and help restore this beautiful property to health. If you're willing to invest a few hours and some elbow grease, please respond on a connection card and we'll keep you in the loop.

➤ Better Together

Small groups are wonderful opportunities to grow spiritually and deepen your connection with others in our church family. We have several groups available for you to consider. You can ask one of our hospitality team members, call the church office or email Chris at chris.parker@bvcbigbear.org for dates and times.
