

# GOD'S WISDOM

---

## DEFINITION

God's wisdom, is the application of his knowledge it means that God always chooses the best goals and the best means to those goals.

## MAIN SCRIPTURE

Jer 10:12 - It is he who made the earth by his power, who established the world by his wisdom, and by his understanding stretched out the heavens.

This scripture highlights the scale of the impact of God's wisdom, he isn't giving us life hacks when he gives us wisdom but when he shares his wisdom he's sharing something of the same nature that established the world.

## FOLLOW-UP SCRIPTURES

Proverbs, Job 28:12-24 - value of wisdom, Is 55:9 - Ways are higher than my ways, James 1:5 - ask and he will give it to us

## FAITH

Faith in God's wisdom allows us to approach any situation knowing that his direction and wisdom is the best way to deal with anything. Whatever God's goal is, it is the best for us and for all people and he has promised to give us his wisdom (James 1:5)

## HOPE

Wisdom does not always provide instant results, but often requires time and patience from us. Hope in God's wisdom is enables us to stay the course knowing that God's ways will provide the best results for this life and ultimately impact our eternal life

## LOVE

God's wisdom should cause us to be in awe of God, he uses all of his wisdom for our good Romans 8:28
