Rev 13:8

Phil 2:13

**Closing**

1 Cor 15:58

**Discussion Questions:**

If Christ died for the church, do we have a choice not to love it?

How is there a reward for you in loving the church family?

Have you ever helped reconcile a church brother or sister to another?

Have you needed or do you need help in being reconciled with a brother or sister?

In which way are you helping make disciples?

How do you feel about God having fun watching you grow in Christ?
