

What is it?
Exodus 16:1-21

The Israelites continue to grumble. In chapter 15, they complained about water (Ex 15:24), now they complain about food. In spite of their rebellious nature, God promises the Hebrews “bread from heaven” and even meat to satisfy their cravings. So, what is manna?

- It is The Lord’s Miraculous, Physical Provision (Exodus 16:15b)
- It is Perfectly Portioned (Exodus 16:16-18)
- It is Perfectly Placed (Exodus 16:13-14)
- Compare & Contrast Manna to Jesus “The Bread of Life” (John 6:22-59)

Questions for Small Group Discussion:
