Discussion Questions:

Do you feel overwhelmed by all that the mind of Christ means?

From Phil 2:5, why can you still rejoice in it?

How is it that rejoicing in the Lord is a lifestyle? Is it just a feeling?

Have you been freed from all forms of a 'grace plus works' salvation?

What breed of 'dog' are you most tempted to pet?

How could you reinforce 'rejoicing in the Lord' rather than 'pet the dog'?
