## MISSION PARTNER OF THE WEEK

Jes & Cindi Smith | IMB Missionaries; Manila, Phillipians

We made it back safely to Manila and despite some mold, the house is in good condition. Jake and Nate have started school. Requests:1) We still don't have any news on our house. Pray the landlord will renew our contract for a long-term or God will provide another home for us. 2) Pray for Jake and Nate with the start of school, still getting over jet lag, fighting colds/allergies, etc. Pray for friends.3) Jes is leading multiple trainings in September. Pray as he prepares and for these trainings to impact the leaders who are attending (company personnel).

PHOENIX, AZ

"Pray our gracious God gives laborers for the incredible harvest in our city. We could plant a church of 200 people seven days a week and still fail to keep up with the number of people God is bringing here from all over the world. Pray God grants us leaders and laborers to plant churches, and that Phoenix churches will raise up leaders and laborers from within so more people will worship His name in our beautiful desert valley."

Yaitepec Chatino of Mexico

Please pray 2 Timothy 1:10.

POPULATION 5,900

The Yaitepec Chatino live in Oaxaca, Mexico and speak a Chatino dialect. They hold a belief that Jesus's death was the cause of death in the world, which directly contradicts the gospel. There is no known evangelical church among Yaitepec Chatino or missionary effort to reach them with God's Word.
