

# Weekly MISSION FOCUS

## MISSION PARTNER OF THE WEEK

### Jake, Ginger, & Timber Goss Lesotho, Africa

Pray for our college ministry as it is growing. Pray for the students to have a true relationship with Jesus and for us to identify leaders to start discipling.

Pray for a new area we have engaged over the last few months. There is no church presence anywhere close by. We have been meeting with three areas there and so far it has been welcomed. We have our first two believers! Praise Jesus. Ancestor worship and witchcraft is what we battle most. Please pray they will want to walk away from that darkness and into light and freedom.

We just applied for our new visas here. Please pray that we will be approved. We should know something in 3-6 weeks. That's Africa time so it might be longer.

Kwangali of Namibia

Please pray Colossians 2:8.

POPULATION 139,000

The Kwangali people of Namibia worship their ancestors as well as river gods and a god of healing. Jehovah God can be easily added to these, according to the Kwangali. They find it difficult to comprehend and accept that Jesus is the only way to know the one true God, and that He alone deserves their worship.
