Worship Pastor

We're really happy that you're joining us this morning! If you haven't already seen our purpose statement posted all over the place, this is it: We exist to **follow Jesus** and **make disciples**. Simple, right? As a church, we try to do this in a few ways. First, we **connect** with Jesus and with each other through our Worship Service, so you're off to a great start!

Next, we **grow** in knowledge and obedience, so after service we invite you to stick around, find somebody you like, and join them in one of our Grow Groups! Lastly, we **serve** the world around us through missions and ministry, and you'll hear about just a few of these opportunities throughout today.

Any of our staff, including me, would love to meet you, so come say "hi" if you haven't already! Thanks for joining us!

Serving in
Brazil

Shawnee, Temple

Dan and Dawn are currently at work with an indigenous tribe in Brazil. They planted and lead a church on the tribe's largest people reservation with 11 members in the church body. They are also hard at work sharing God's Word with nearby villages.

How to Pray:

Pray for the indigenous believers in their church, that they would make Christ first in their lives and persevere in their faith.

Pray for the work that is being done to share the Gospel in nearby villages, that many would come to salvation in Jesus Christ.

Pray for the indigenous people as they prepare for the annual dry seasons, when both food and water are hard to secure.
