

Growth Group Discussion Questions

Winter Session 3/3/19

1. What are some ways that you seek a sense of renewal in your life? Which ways work better than others?
2. It can be difficult to believe that a life or event two thousand years ago has the power to bring or change life today. Why is it so hard? What would you say to help a child or a person with just a bit of faith (or even yourself) to explain how this is possible?
3. When you think of the resurrection, what do you typically think of as the point or meaning of it? Did you hear anything on Sunday that gave you a different angle or lens through which to see it?
4. Read I Corinthians 15:58. When you think of God's desire to redeem us ("preserve the best and transform the rest"), how could this help your motivation to offer all the aspects of your life to God as worship (career, health, finances, relationships, etc)? How can it help your overall motivation to follow Jesus?
5. Have you ever thought about God's creation being in bondage (corruption) and longing to be set free? How does it make you feel to consider this?
6. What can you do this week to immerse yourself in the good news—Jesus's Story in the context of the "Whole Story"—to center and anchor yourself to the source of renewal?
