

# Growth Group Discussion Questions

Spring Session 5/12/19

1. Read Acts 15:1-21.

What do you believe are some issues that the church globally and locally is facing today?

If appropriate speak about topics that may be “controversial” in a respectful and graceful way.

2. What are some “unknown” territories in your life that you need to bring others into to “figure out together” the way forward?
  
  
  
  
  
  
  
  
  
  
3. Think of other times in the New Testament when the disciples used this same strategy of coming together. Hint (there is one right at the beginning of Acts...)
