

# **Growth Group Discussion Questions**

## **Winter Semester - Week 2**

1. Do you think it was unfair that the father never had the same sort of celebration for the elder son? Why or why not?
2. Do you think that the father would have thrown a party for the younger son if he had not hit rock bottom? Why or why not?
3. Has the word “repent” felt positive or negative to you? Why?
4. Which son do you identify with more, the younger or the elder? Why?
5. Where do you feel Jesus calling you to repentance? Get as vulnerable as you are able.

Pray together at the end for your growth group and the church at large to continue to embrace repentance, even after the fast.
