

Growth Group Discussion Questions

1. Let someone share their conversion story. Listen and appreciate it.
2. We don't learn God's truth all at once. Share an "**epiphany**" you have experienced in your faith walk recently. (For example, I have opened my eyes to the fact that I have a hard time resting, literally, and that is connected with my trust in God as a provider, so I'm working on it.)
3. What do you think it means to be "thirsty and go to Jesus for a drink"?
4. When we are being filled by Jesus, springs of living water should flow from us (John 7:37-39). What are some ways individually and as a group that you can let your living water spill over to others who need it?
