

# Growth Group Discussion Questions

## Spring Session 4/24/19

1. On Sunday, we talked about how God often provides “just enough” for us as we follow and worship Him. Read the following passages below and note how God worked to provide for his people.

1 Kings 17:1-7

1 Kings 17:8-16

2 Kings 4:1-7

2 Kings 4:42-44

Matthew 14:13-20

Matthew 15:32-39

Acts 6:1-7

What stands out to you from these passages? What are the areas of your life in which you wonder or doubt whether God will provide at least “just enough” for you, your family, church family, etc? How can you grow in this—meditation on these stories and the “big story” (all Scripture), prayer, relationship support, etc?

2. Were you able to incorporate the challenge to expect God to provide and lead in the context of our “Fellowship Feast” on Sunday? Did you see God work to provide and/or lead “just enough” in any way? Sharing with the group can help you consolidate and share what you practiced and learned, as well as mutually build faith moving forward.
