TRUSTING IN THE LORD

Trusting in the Lord means placing complete confidence in who God is—His truth, reliability, and undeniable faithfulness. As we enter a new year, Proverbs 3:5-6 reminds us that our own understanding is limited, but God's truth remains unchanging.

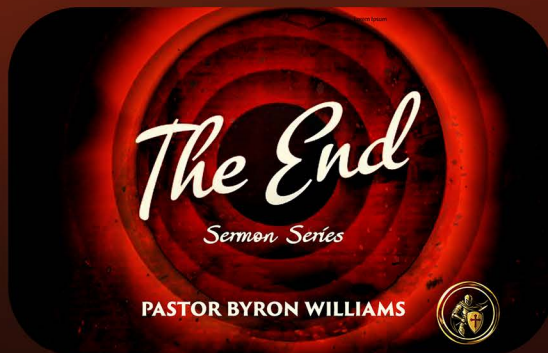

The beginning of a new year invites reflection, fresh decisions, and new direction, yet our stability is found in trusting the Lord rather than leaning on ourselves. When we acknowledge Him in every step, He proves Himself trustworthy—guiding our paths, ordering our steps, and leading us forward with clarity, purpose, and peace.

DECEMBER RECAP

THE END SERMON SERIES

As we begin this new series, The End, we turn our focus to the seven churches in the Book of Revelation. Each church received a direct message from Jesus—warnings, encouragements, and instructions that reveal what He desires from His followers as the end approaches.

Throughout this series, we'll take an honest look at these churches to understand what made them strong, what caused their weakness, and what Christ required for them to be ready for His return. These same lessons speak to us today. They show us how to prepare for the rapture—by staying close to God, remaining firm in our faith, and walking in true obedience.

COMMUNITY ANNOUNCEMENTS

WOMEN'S MINISTRY

DTC Women's Ministry had a great fellowship on last Sunday. We enjoyed brunch during our first Health and Wellness session which focused on the importance of healthy living and making better food choices. Health Coach Tami, focused on eating healthy and supporting overall wellness. She encouraged us to be mindful of what we put into our bodies. Healthy food was served, and she engaged the group by asking thoughtful questions that sparked discussion. To conclude, Tami generously gifted everyone homemade all-natural products she makes herself including seasonings for cooking, lotions, hair growth serum, deodorant, and body soap which also reinforced the message of using healthier, more natural options in our daily lives.
