Roots: Church, We need to Repent

Speaker: Pastor Nick Farr | 9.5.2021

1. Share a time you were “right” – only to discover you were wrong. What did it take for you to realize you were wrong?
2. How did it make you feel/think about other things you “knew” were “right?”
3. Within your Christian walk, have you believed something only to later find out your belief was in error? Share if you feel comfortable.
4. The Pharisees had “added” countless laws and commands to the law Moses gave them. They “lost” their calling to be God’s light to the Gentiles. What happens when we “add” to the Gospel?
5. What is the first step in shedding all the “add-ons” we put on Jesus’s mission to “seek and save what was lost?”
6. How can we tell whether we’re in line with Jesus’s mission or our own agenda?
7. What issues of today have been used to obscure Jesus’s mission?
8. The act of transformation belongs to Who? How do we aid in it? How do we hinder it?
9. What activities of the church (universal, then our own) aid the mission to “seek and save” or “help people discover and follow Jesus”?
10. What activities can be a hindrance to the mission?
11. How can you be further invested in the mission?
12. Jesus + Nothing = Everything. If we can add nothing to Him, and He must do the work of transformation (through the Holy Spirit,) what does He need us for? What is **our** part in the equation?
