Hey Bentheim church, did you know that a majority of our cadet program is kids from the community? A good part of them do not have a church of their own but come to Cadets because their friends are telling them about it. We want to keep this going! Many churches in the area do not have programs like out because of the funding and volunteer shortages. Bentheim is such a blessing in this way to the community. Michelle and I have made it a goal to update this program to work for the needs of the volunteers and the boys both. We would like to hear from you as well. If you have boys in this age range, are a leader already, or have an interest in being a part of a steering committee to make this program great, please plan on attending a short meeting in the Treehouse on **May 31**, after the church service. The more we can have attend, the better we can plan for next year. Please plan on attending! -Kim
