

## **The Jesus Way**

Discussion Notes  
Matthew 5: 13-20  
19 June 2022

### **Message Summary:**

The challenge of being salt and light in this world and what our approach should be regarding righteousness and the Old Testament Law.

### **Intro Question:**

Salt has many uses. What is your best “salt” story/experience from your life?

### **Read Matthew 5: 13-20**

- |                |  |
|----------------|--|
| Read 5: 13     | What are the 5 uses/purposes of salt?<br>Are we salty enough (in the world we live in)?<br>In what ways could we be possibly be a bit too salty? |
| Read 5: 14- 16 | How does your light shine in the darkness?<br>Do you think your light is shining at its brightest?   |
| Read 5: 17-20  | What do you understand by righteousness and how do you live that out in the world we live in?  |

What do we need to do?

How do we increase the salt and light effect of our lives in the world as a believer, while embracing the reality that Jesus came to fulfil the Law?

### **Prayer suggestion:**

Pray that we will be salt and light in the world.  
Pray that your life will reflect the righteousness of Jesus, every day this week
