

Discussion Notes- At Home

John 14:1-7

May 1, 2022

*Message summary* - As believers, death is not the end but just the beginning of living in a place that Jesus has prepared for us and where we will feel truly at home.

*Intro question* - Have you ever planned a vacation/ trip that ended up going so badly that all you wanted to do, was go back home?

*Read* John 14:1-7

What is your current understanding of how the Bible describes heaven?

Ecclesiastes 3:11 states that God has set eternity in the human heart.

How could you increase your awareness of eternity in your daily living?

How does knowing that Jesus is preparing a place for you in His Father's house effect the way you view death?

*Prayer suggestions:*

- 1) Thank Jesus for preparing a place for you.
- 2) If you have lost your way a bit, surrender your heart to Jesus again, who is the way.
- 3) Pray for loved ones and friends who have not yet received the eternal life that comes through knowing Jesus.
