

## **No Matter What**

Taking it Deeper Discussion Notes

Acts 7:54-8:4

June 21, 2020

**Summary:** What do Christians do when things get tough, when opposition comes? Generally, they should do the same things they do when things are easy. We are believers and kingdom ministers in all situations. Often the right thing to do is easy to identify -- provided we do not let fear cloud the way. In God's purpose lies our power no matter the situation.

**Intro Questions:** "What's an example of something good that came out of a tough season of your life?"

### **Read Acts 7:54-8:4**

What sorts of things did Stephen do in the face of his looming execution?

What did Christians do as they fled from the mounting persecution?

As a believer, what is something that you always want to do no matter how tough the season?

**Prayer Suggestion:** Pray for someone who is going through a particularly difficult time. Pray for his or her deliverance from trouble, but also pray that the person would find a way to minister God's love and power to people in the midst of the trouble. Perhaps God will reveal a specific opportunity this person has for ministry even during the difficulty.
