### Takeaways

- 1. Becoming a follower of Jesus has nothing to do with being free from problems. It has more to do with trusting the ONE who is in control.*
- 2. God will never give you a problem that HE cannot handle.*
- 3. God can use the difficulties in your life to shape you and take you to be the person He wants you to be.*
- 4. No matter what, the grace of God is greater than any of life's circumstances and will sustain you.*
- 5. Always make what God did for you, greater than what people did to you.*
