

New Beginnings

Lenten Bible Reading Plan

Throughout church history Lent has been seen as a season particularly appropriate for followers of Jesus to experience new beginnings and renewed dedication. As we enter the season of Lent, I invite you to join me in a time of reading scripture together.

Starting Wednesday March 1st, you are encouraged to join in a Bible reading plan I'm calling "New Beginnings." This reading plan is designed to walk us through some of the shorter books of the New Testament. By simply reading one or two chapters per day together we will read 13 books in 32 days! There will be one assigned reading each day, 6 days a week, for 32 days. We will start on Wednesday, March 1st and end on Maundy Thursday, April 6th.

Follow along on our Chapel in the Pines Facebook page for an opportunity to: interact with others, encourage each other, and get daily reading reminders. Or you can simply use the reading plan on the back of this sheet of paper as your guide.

Blessings, Pastor Jon Dietrich
