

# Message Based Questions – 1/27/19

## Movement, Week 4

---

From your perspective, who is the church for?

Why do you think it's so easy for people to assume they need to clean up their act before they are welcome to come to church?

Read Acts 15

This chapter explains the controversy for the church at the time about the law and grace. What are some contemporary church standards that can keep outsiders from entering or remaining in a church?

From your perspective is it too easy or too hard to become a Christian?

What are some practical things you can do to guard against a propensity to drift towards law and away from grace?

Acts 15:19

**As a church:**

- Be bold in our serving and reaching!
- Let's pray boldly and Live boldly!
- Let's not make it difficult for those returning to God.
- Let's err on the side of grace!

Close in prayer together about these church initiatives and for God to be glorified in and through all we do!
